Suffix - Ful

Please complete these activities in your book. Then take a photo and upload to the google drive class folder.

The suffix -ful has come from the English word "full" and the meaning is "full of".

The suffix -ful is written with only one 'l'

Example

- Bill is **hopeful** of receiving a job offer. - "Bill is full of hope".
- Mary brought in an **armful** of washing. - "Mary's arms are full".
- We ate a **wonderful** meal in the new Japanese restaurant. - "The meal is Full of wonder".

When you add - ful to the end of a word it changes it to an adjective.

Example

Noun
Definition: to want something to happen or be true

Suffix
Meaning: Full of

Adjective
Definition: Describing someone who is full of hope

Can you add the suffix ful to these words to make them adjectives?
