

Procedure: **Water Safety**

Review Date: **2022**

Related policies and procedures: **Health and Safety Policy ACTED; Excursion and/or Incursion Risk Assessment**

Activities, excursions and incursions involving water, carry an increased risk which needs to be considered beforehand. Some water activities will require a risk assessment form to be completed (see flowchart below), however all water activities should incorporate the following supervision and safety guidelines.

Flowchart for determining whether a risk assessment form is required
