The organisation of excursions and incursions must follow strict processes in order to meet Regulations 100, 101 and 102 of the National Quality Standard.

- (1) The approved provider of an education and care service must ensure a risk assessment is carried out in accordance with regulation 101 before an authorisation is sought under regulation 102 for an excursion.
- (2) The nominated supervisor of an education and care service must ensure a risk assessment is carried out in accordance with regulation 101 before an authorisation is sought under regulation 102 for an excursion.

 - (a) the proposed route and destination for the excursion; and
 - (b) any water hazards; and
 - (c) any risks associated with water-based activities; and
 - (d) the transport to and from the proposed destination for the excursion; and
 - (e) the number of adults and children involved in the excursion; and
 - (f) given the risks posed by the excursion, the number of educators or other responsible adults that is appropriate to provide supervision and whether any adults with specialised skills are required; and
